SECRET

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 13 October 1967

25X1 1. [redacted] Spoke with Mr. Bernard J. Fensterwald, Chief Counsel, Senate Subcommittee on Administrative Practice and Procedure, concerning the progress of S. 928, the Administration's wiretapping and eavesdropping bill, and other related measures. (See Memorandum for the Record.)

25X1 2. [redacted] Accompanied Dave Brandwein to a briefing of Messrs. Conway and Murphy, of the Joint Committee on Atomic Energy staff, in response to a letter from Mr. Conway requesting our comment on a New York Times article having to do with Soviet capabilities for deorbiting nuclear weapons. Mr. Brandwein handled the matter quite thoroughly and competently and it was not necessary to leave with the staff members any written documentation. In the course of conversation, Mr. Conway brought up several other subjects such as the status of the Soviet submarine fleet, and their nuclear weapons capabilities. He said he would like these included in the next DCI briefing of the Joint Committee which he hopes can be scheduled before the congressional adjournment. Mr. Conway did not mention a date but merely wished to alert us to the fact that they would like to have the Agency up again in the near future.

[redacted] 25X1

25X1 4. [redacted] Picked up from Senator Stuart Symington's office three letters from the Senator for Agency delivery to [redacted] 25X1
25X1 [redacted] and Ted Shackley.

25X1 5. [redacted] Talked with Jim Kendall, Senate Preparedness Investigating Subcommittee staff, who indicated it is very possible that
25X1 [redacted] will be accompanying the Subcommittee staff group and, if at all possible, he would like to have [redacted] participate in the Agency briefings 25X1
abroad. I said I was sure this could be arranged.
